UC Davis Pre-Health National Conference

The Saddleback College Pre-Medical Club is organizing transportation and accommodations for this extremely affordable conference. This isn't a conference at which you'll present, but it's a conference at which you might get some life-changing information. Contact club advisor Professor Marcelo Pires for details.
Spring 2016 Honors Class Schedule

Check out what we’re offering to see how it fits in your transfer or other educational plan.

Here are a few things to keep in mind for this semester in particular:

- Any two HUM courses numbered 10, 30, or 31, taken in any order, will fulfill the Honors Humanities Core requirement.

- Courses in the Social and Behavioral Sciences Division as well as our Honors Speech 1 class have been moved to a new “block schedule.” It might be a good idea to look at the overall college schedule as soon as it comes up in order to anticipate conflicts that might not have arisen before.
We are in the midst of renumbering our Honors Humanities Core requirements, so please do not accidentally take the same course twice. We really can't allow that!

HUM 30BH is Prof. Lovett's HUM 10A from last year. HUM 31BH is Prof. Lovett's HUM 10B from last year. HUM 31CH is the Twicken/Repka 10B from last year.

If you earned less than a C in a Humanities Core course, please contact Prof. Rosenberg about repetition for grade forgiveness.
