Please do not unsubscribe if you are a current student or faculty member in the Honors Program, and please read this every week. It is our official notice to you of things you may need to know in order to be successful.

Spring 2016 Registration Appointments will be visible on MySite Monday, Oct 26th.
Students, check your MySite account on that day and let the Honors Program Office know IMMEDIATELY if your date is later than November 5th.
If your date is after November 5th, one of the following may have happened:

- You are ineligible for Priority Registration because of your having completed over 100 units, being a high school student, failing to complete an Educational Plan (MAP), or being in some other category of students ineligible according to State of California regulations. See this page.

- You are not in good standing as a Certificate-Track Honors Program student because you have been put on either GPA or Progress Honors Probation. See the Student Handbook, which you received as an attachment with your acceptance letter. We also have copies in the office, or you can get it at http://www.saddleback.edu/honors.

- Somebody made a mistake. These can be fixed only if you get to us early! The priority registration list is created by hand in the Honors Program Office and put into the system by hand in Admissions & Records. We try to be very careful. Sometimes people are overlooked or simple typos are made.

If you're a STEM major with outstanding grades and major preparation, look at Harvey Mudd!

HMU #1 Return on Investment (Again)

Especially if you're a FEMSTEM.

Harvey Mudd College meets, as all the Claremont Colleges do, the full demonstrated financial need of every student it admits.
