

# What can Saddleback College's ESL Program offer YOU?

- Experienced teachers
- Exciting and informative classes
- Beginning, Intermediate Certificates in English as a Second Language
- Courses that are a "bridge" to other Saddleback College classes, degrees, and certificates.
- Skills to help you expand your work opportunities
- Classmates (and teachers) who share your "path" and understand the challenges of adapting to a new culture
- Resources and skills to help you become more connected to your community (such as neighbors, children's teachers, workers, business owners)
- Access to ESL tutoring, tutoring, library, reading and language labs, counseling, health center, and more!

ENGLISH AS A SECOND LANGUAGE

## What did you like best about your ESL classes?

"The best thing I like about ESL classes is I can improve my English very fast and I can learn about different cultures from different students."

"I enjoyed the relaxed and pleasant atmosphere in ESL classes."

"I'm glad I took my ESL classes. I did something good for myself."

## How have your ESL classes helped you to be successful personally, academically, and in the work place?

"I've been more confident in my work place since my English improved."

"I can use English fluently."

"I feel more confidence when I speak because I know I pronounce the words correctly."

"I'm more confident in speaking and writing."

"My goal is to be able to communicate by email and I feel ESL classes have helped me 100%."

"I work as a cab driver and I can discuss with my passengers about everything."

"It's easier for me to communicate with native speakers, and I'm not afraid of making mistakes."

"The classes have opened my eyes and taught me a little about everything here."

"My classes have helped me to enjoy watching TV and understand movies better, and I feel better when I go to a restaurant or a department store."

- **A supportive place for YOU to develop your language skills, increase your comfort with American culture, and be part of a campus community**
