

Review your math skills!

Need to prepare for the Math assessment exam? Attend a **MyMathTest Workshop!** Whether you're a new student testing for the first time or looking to re-test, you may benefit from attending a **MyMathTest Workshop**. By attending the **MyMathTest** skills review workshop, you will receive **FREE** online access to Pearson **MyMathTest** software for **16 weeks** to continue preparing.

MyMathTest software gauges your current skill level and formulates a personalized study plan to help you recover your past math skills. The software includes: unlimited practice problems, online tutorial videos, and animated visual aides. In addition to **MyMathTest** software, a proctor is on site to provide additional support with practice problems and software account setup.

Get ready for your Math assessment exam! Sign up for an upcoming workshop!

To schedule a **MyMathTest Workshop** appointment, call the Matriculation Office: 949-582-4970. For more information, please visit: www.saddleback.edu/matriculation/mymathtest
