

Pathway to STEM

Saddleback College is hosting a series of workshops in February and March for high school sophomores, juniors, and seniors interested in Science, Technology, Engineering, and Math (STEM).

Students will have the opportunity to develop new skills in the following areas:

- Basic Computer Programming
- App Development
- Excel
- Calculus Readiness
- Statistics

Students who complete the workshop may qualify for the opportunity to participate in special internship programs at Jet Propulsion Laboratory (JPL).

Application available at <http://goo.gl/HnsN12>

Deadline to register for **March** workshops is March 4, 2016.

Workshop dates – March 19, 20, 26, 27

Deadline to register for **April** workshops is March 28, 2016.

Workshop dates – April 2, 3, 9, 10
