Community Education International Art Adventures Class Begins in June

Mission Viejo, CA – Registration begins Monday, March 29th, for the Saddleback College Community Education class “International Art Adventures,” which will be taught by the instructors of the Bowers Kidseum. Two, two-week sessions of the class will be offered for kids 8 to 14 years of age and costs $145. The first session begins June 28th and the second session begins July 12th.

International Art Adventure allows kids to explore ancient and modern cultures and traditions through creative art projects. Using a variety of art mediums, students will “travel” to ancient and modern China by foiling dragons and water-coloring scrolls; Japan by making fish prints and fans; Egypt by painting papyrus and making personal cartouche (hieroglyphics); and Mexico, where they will learn about the Day of The Dead celebration of life and create decorated sugar skulls and fun skeleton art.

Registration can be completed online through the Saddleback College Community Education website, [www.saddleback.edu/ce/](http://www.saddleback.edu/ce/). Classes are limited to 30 registrants and the price includes all material fees.
