Saddleback Inducts 78 into Hall of Fame
Mission Viejo, CA – Saddleback College inducted 78 new members into the Athletic Hall of Fame on Saturday, September 29th, during halftime of its Homecoming football game against Santa Ana College.

Dr. Tod Burnett, president of Saddleback College, stated, “Congratulations to our Athletic Hall of Fame inductees, who have made all of us proud for their impressive accomplishments, both in their performance in their sport and in the classroom. It was a pleasure to see them back on campus for this Saddleback College tradition.”

“This is always a great opportunity for us to recognize our former student-athletes who excelled at Saddleback. It was paired with our Homecoming event to make this a fun event for everyone and I think those alumni we inducted really have grown to appreciate what we do here at Saddleback. The foundation we set helps them be successful down the road,” said athletic director Tony Lipold.

Saddleback only holds this Hall of Fame ceremony every four years and selected this year’s induction class from those student-athletes who participated during the 2004-2008 school years. Eighteen of the college’s 19 teams were represented, including 12 former football players, 11 former baseball players, and 12 former golfers. Hall of Fame inductees are selected by the coaches and athletic director and must have been named to the all-conference team in their sport at least once.

The induction class of 78 brings the total number of Athletic Hall of Fame members up to 655 since the Hall of Fame was established in 1982. The names of these new members will be added to the college’s Athletic Hall of Fame wall in the lobby of the Kinesiology and Athletics Department.
