Registration Now Open for Swim Lessons, College for Kids, and New Healthcare Career Readiness Program

Mission Viejo, CA – Registration is now open for the Saddleback College Community Education Department’s 33rd season of swim lessons for children. Lessons available are parent & me (3-36 months); tiny tot (3-4 years); beginners, advanced beginners, intermediate, and competitive swim (five years and older). A variety of specialized programs are also offered, including beginning springboard diving, personalized springboard diving, and junior lifeguard conditioning. Classes are available on weekdays and Saturdays, now through August 16th.

In addition to swim lessons, registration is open for the popular College for Kids – Junior Gauchos program, which allows kids ages seven to 14 years a chance to experience college life. Hundreds of young students will have the opportunity to develop their own individualized class schedules from a wide range of offerings, including but not limited to acting, art, chess, computers, dance, film animation, history, languages, manners, math, modeling, music, reading, science, sewing, sports, study skills, theatre, writing, and more. All classes are offered in two-week blocks, Monday through Thursday, through August 2nd. New to the summer program is 4 Day Power Week - Keyboarding on Personal Computers, a hands-on workshop that will teach students to type the fun, fast, and easy way!

This summer, the community education department will also be offering Healthcare Career Readiness: Fast Track to Success, a new program for incoming college freshmen who are interested in exploring allied health career opportunities. This innovative program, developed through the college’s division of health sciences and human services, will meet at Saddleback, Monday through Friday, July 30th to August 10th, and will emphasize career exploration, medical terminology, applied math, and professional communication. Made possible by a grant from the California Community Colleges Chancellor’s Office, the program will give students opportunities to learn about numerous health care careers, including medical assistant, paramedic, emergency medical technician (EMT), phlebotomist, medical lab technician, nursing, and health information technologist.

For more information or to register for any of these programs, visit the Saddleback College Community Education website at www.ce.saddleback.edu or call (949) 582-4646.
