Saddleback College to Host Career Technical Education Month Events

Mission Viejo, CA – To celebrate Career Technical Education (CTE) month, Saddleback College’s Counseling Department is hosting activities that will highlight the available career certificates, job and skills training, and job placement services of the college.

Dr. Tod A. Burnett, President of Saddleback College, stated, “Saddleback College is constantly working to address student needs and we know that this is a time when many of our students are looking for specialized job training to get a job or advance in the jobs they have. CTE Month is the perfect opportunity for Saddleback to highlight the affordable career training options available to students.”

Rocky Cifone, Dean Business Science and Economic & Workforce Development, “Saddleback College recognizes that the growth and stability of California’s economy rests on a skilled workforce and up-to-date career technical education programs are one important component. Saddleback College is proud to offer more than 100 CTE certificate and degree programs and more than 1,000 CTE courses.”
