HOW TO UPLOAD A PRINT JOB FROM THE INTERNET

Students can now print using a mobile device, tablet or computer

Navigate to the URL

<https://printing.saddleback.edu/myprintcenter>

Log in with your student userid and password credentials. Same ones you use to login to the computers on campus

The screenshot shows a login form titled "Secure Login" with an orange header. Below the header is a printer icon with a document and a dollar sign. The text "Welcome to SOCCCD Student Print Center" is centered. The form contains two input fields: "Username" with the value "jsmith" and "Password" with masked characters "•••••". There is a checkbox labeled "Keep me logged in" which is unchecked. A "Log in" button is located at the bottom right of the form.

To upload a document to the system, click the "Upload button" and use the Explorer window to navigate to your desired file.

for windows

Once the upload is complete, it will be listed under your Job List and you can go to one of the Xerox release stations to print out the document.

In your Job List you will see the document type, title, print preview along with page count, paper required, submission date and cost.

Type	Title	Print Preview
	IBA quick.docx	

Pages	Pieces of Paper	Submitted Date	Cost
2	1	10 seconds ago	\$0.20

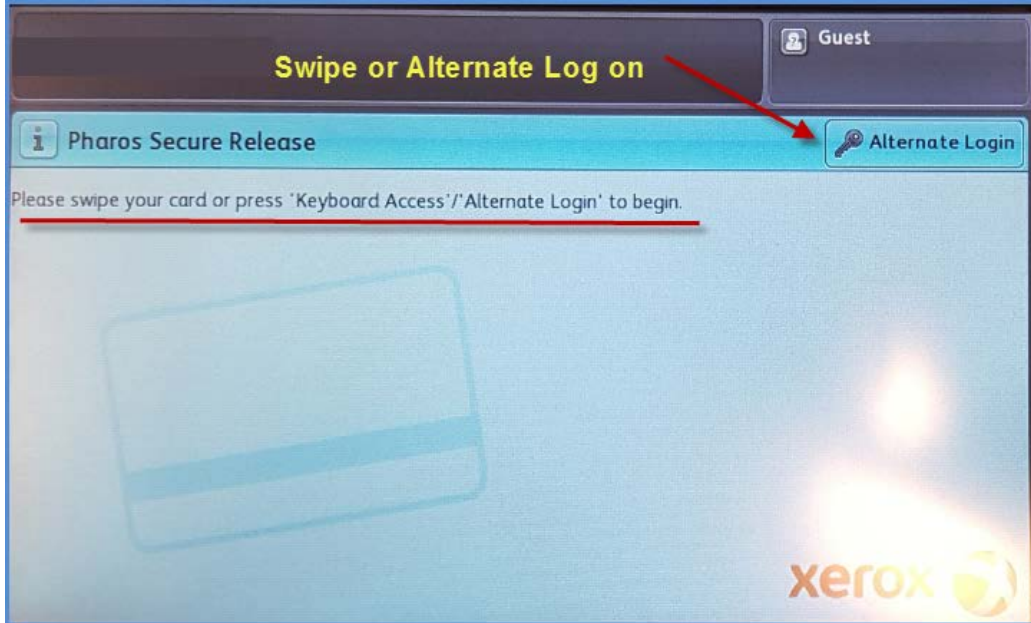

You can hover over the print preview and it will display the file when you click it

HOW TO RELEASE A PRINT JOB

Release stations are located in the Learning Resource Center (2nd and 3rd floors), Lobby of the Student Services Center Building, IMC Lab in the BGS building, and the Computer Science Lab in the Science/Math building.

At the release station, swipe your Student ID or enter your credentials by touching the "Alternate Login" button on the touchpad.

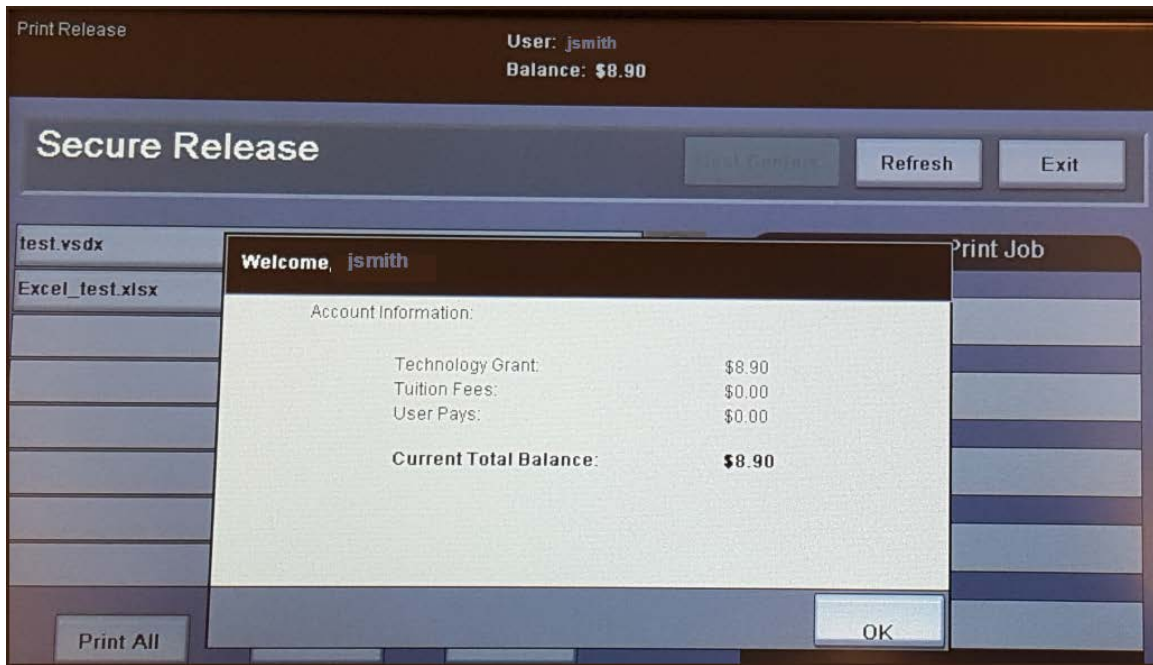

If you have a Student ID card, you have the option of swiping the card at the Release Station
